Subject: Conveyance allowance to the Mechanic of the Water works, of Chickballapur Municipality.

Sir,

In forwarding herewith a copy of the resolution of the Town Municipal Council, Chickballapur passed in their meeting held on 30/8/44 in the matter of granting a conveyance allowance of Rs.5/- per month to the mechanic of the Municipal Water works, I have the honour to state that the President has reported that in order to regulate proper supply of water the mechanic who is in charge of the pump house has to move about frequently in the town inspecting the public taps and rectifying defects. The mechanic has to do his work like this on account of the low capacity of the water tank and to prevent petty disputes among women gathering in large numbers at the public taps which are limited in number. As the work of the mechanic is onerous, the council have resolved to grant a conveyance allowance of Rs.5/- per month to him

The president's letter dated 4/5/45 and a copy of the resolution are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,
